

Eventfinda Ticketing Services

Let Eventfinda provide ticketing services for your tour, festival, expo, theatrical production, or venue. As New Zealand's largest event marketing channel, we reach more people than all other entertainment guides combined.

With massive reach across all of New Zealand's major media, we put event information and the all-important "BUY TICKETS" button in front of more people than any other ticketing company.

Eventfinda puts control of your event ticketing in your hands.
